

Mastering Executive Job Change

Financial and Job-Change Strategies for Your Transition

**A workshop for the “Over-40” Professionals and Executives
in the process of changing jobs or careers.**

Experienced Professional Counselors provide strategies for effective job change
and for staying on track with your financial goals during that change.

Topics include:

FINANCIAL STRATEGIES:

- Cut Costs and find the Short-Term Cash you need NOW.
- Affordably replace your Health Insurance / cutting “COBRA” costs.
- Tap into your retirement funds NOW, perhaps without penalties.
- Protecting Your Retirement Nest Egg.

JOB CHANGE STRATEGIES:

- Deal with age-related job change issues / the “Over-40” Job Seeker.
- Finding the best fit for your abilities and interests in this New Economy.
- Making the most of the latest resume, networking and interview techniques.
- Tapping into the best available resources for a successful search.
